Limited; GVN Fuels Limited; Maharashtra Seamless Limited; and Jindal Pipe Limited.²

Commerce received no other requests for an administrative review of the AD order for the POR.

On October 30, 2020, pursuant to section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the AD order covering the POR.³ On January 15, 2021, the Domestic Interested Parties timely withdrew their request for review with respect to each of the four companies.⁴

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested the review withdraw their requests within 90 days of the publication date of the notice of initiation of the requested review. The Domestic Interested Parties withdrew their request for review within 90 days of the publication of the *Initiation Notice*, and no other party requested an administrative review of the AD order for the POR. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding the administrative review of the AD order on OCTG from India for the POR covering September 1, 2019, through August 31, 2020, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of OCTG from India during the POR at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the *Federal Register*.

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3).
